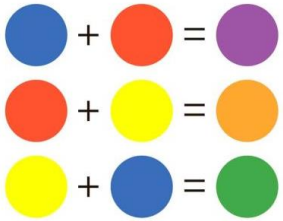
Year 1 – Autumn 2 – Art – Pupil Knowledge Organiser

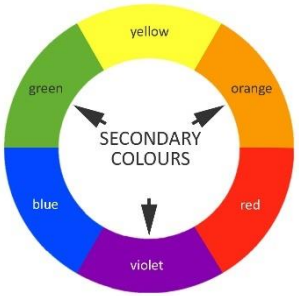
What do I already know?	What am I learning now?
• Types of lines include: straight, curved, zigzag, and wavy. • Simple shapes include: circle, square, triangle and rectangle. • Different tools make different marks. • Patterns are made by repeating lines and/or shapes. • An artist is someone that uses the materials to make a piece of art. • Art can sometimes take a few tries until we are happy with it.	1. How can we experiment with primary colours? 2. How do we make secondary colours? 3. How can we experiment with different paintbrushes? 4. Who was Lynette Yiadom Boakye? 5. Can I create a Lynette Yiadom Boakye inspired painting? 6. Can I create a Lynette Yiadom Boakye inspired painting?

Key Knowledge: Painting

The primary colours are: Red, Yellow and Blue.



The secondary colours are: Orange, Green and Purple.



The colour wheel shows how primary colours can be mixed to make secondary colours.

Different colours are used for specific things.

Greens are used for nature, like grass and leaves.

Blue are used for the sky and sea.

Different brushes have different uses.

Thin brushes can be used for details or thin lines.

Thick or wide brushes can cover a bigger surface.

Key Vocabulary

primary colours	A colour that cannot be made by mixing other colours.
secondary colours	A colour made by mixing two primary colours.
painting	A picture made by using paints on paper or canvas.
experiment	Trying new ideas or techniques to see what happens and learn something new.
brush	A tool with bristles used to paint and create pictures.
width	How thin or thick the bristles on a brush are.
